

# GOVERNMENT OF THE REPUBLIC OF LITHUANIA

## RESOLUTION No 207 DECLARING QUARANTINE ON THE TERRITORY OF THE REPUBLIC OF LITHUANIA

14 March 2020  
Vilnius

In pursuance of Article 21(3)(1) of the Law of the Republic of Lithuania on the Prevention and Control of Communicable Diseases in Humans, Article 21 (2)(1) of the Law on Civil Protection, having regard to the adverse epidemic situation of COVID-19 (coronavirus infection) and the proposal by the Minister for Health, also to the recommendation by the Emergency Commission of the Government of the Republic of Lithuania of 14 March 2020, the Government of the Republic of Lithuania has resolved:

1. To declare the tertiary (absolute preparedness) level of preparedness of the civil protection system.
2. To declare quarantine on the entire territory of the Republic of Lithuania.
3. To impose the quarantine regime as detailed below:

### **3.1. Regarding cross-border and domestic movements:**

3.1.1. To prevent the entry of foreigners into the Republic of Lithuania, except for the foreigners who are family members of the citizens of the Republic of Lithuania (parents (adoptive parents), children (adopted children), spouses and carers), also the crew members, who are employed in Lithuanian companies engaged in international commercial transportation, or who carry out international commercial transportation by all the means of transport, also persons entitled to reside in the Republic of Lithuania, persons enjoying immunities and privileges under the Vienna Convention on Diplomatic Relations (1961) and the Vienna Convention on Consular Relations (1963) and persons serving in NATO and NATO military units and the personnel serving them and their family members, healthcare professionals arriving in the country for the provision of transplant services, as well as the exceptions referred to in paragraph 3.1.3 of this Resolution, and the foreigners who, in exceptional cases, will be allowed entry to the Republic of Lithuania on the basis of an individual permission by a minister holding the jurisdiction in the respective realm, and whose entry has been approved by the Government. The crew members, who carry out international commercial transportation by all the means of transport, shall transit through the territory of the Republic of Lithuania without a necessary stop.

3.1.2. State border crossing shall be carried out at the following international border crossing points:

3.1.2.1. by road: Kalvarija - Budzisko, Saločiai - Grenstale, Butingė - Rucava, Smėlynė - Medume, Medininkai - Kamenyi Log, Raigardas - Privalka, Kybartai - Chernyshevskoye, Panemunė - Sovetsk, Šalčininkai - Benjekoni, Lazdijai – Ogrodniki. The entry of persons and/or their private passenger cars into the territory of the Republic of Lithuania shall be allowed only at the following international state border crossing points: Kalvarija - Budzisko and Saločiai - Grenstale. The entry of

diplomatic transport will be allowed at all the road state border crossing points. In exceptional cases, the entry of persons and/or their private passenger cars will be allowed into the territory of the Republic of Lithuania at other international border crossing points specified in this subparagraph, where there is a permission by the Head of the State Border Guard Service under the Ministry of the Interior of the Republic of Lithuania or his authorised person.

3.1.2.2. by railway: Vilnius railway station, Stasylos - Benjekoni, Kena- Gudagai, Šeštokai – Trakiszki. Border crossing for commercial and/or international freight transportation shall be additionally carried out at the following international state border railway crossing points: Stasylos – Benjekoni, Pagėgiai - Sovetsk, Joniškis - Meitene, Turmantas – Kurcums and Kybartai - Nesterov;

3.1.2.3. airports: Vilnius, Kaunas, Palanga and Šiauliai international airports' border checkpoints;

3.1.2.4. sea ports: Pilies, Malkų įlankos, Būtingė oil terminal and Molo border crossing points.

3.1.3. A transit of persons returning to their country of residence or in whose respect a reasoned request has been made by a foreign country, will be allowed through the territory of the Republic of Lithuania without a necessary stop, in formed groups of persons or vehicles with ensured compulsory escort (convoy) of these groups from the entry into the Republic of Lithuania to the international border crossing points. The facilitated transit of persons through the Republic of Lithuania from the territory of the Russian Federation to Kaliningrad region of the Russian Federation and backwards will be carried out only at Kena railway border checkpoint and Kybartai railway border checkpoint under the conditions laid down by the Minister for Foreign affairs of the Republic of Lithuania.

3.1.4. *Repealed as of 04-05-2020.*

3.1.5. Persons who have returned or arrived from foreign countries shall fall subject to 14 days' isolation, except for the crew members, who are employed in Lithuanian companies engaged in international commercial transportation, or who carry out international commercial transportation by all the means of transport, healthcare professionals arriving in the country for the provision of transplant services, and members of official delegations, diplomats and special couriers working on transit trains, referred to in paragraph 3.1.3 of this Resolution, and citizens of foreign countries transiting through the Republic of Lithuania with compulsory escort (convoy) to the country of their residence, who have no COVID-19 (coronavirus infection) symptoms. The crew members, who are employed in Lithuanian companies engaged in international commercial transportation, or who carry out international commercial transportation by all the means of transport, shall fall subject to isolation from the day of arrival in the Republic of Lithuania until the day of departure from its territory, but no longer than 14 days. The National Public Health Centre under the Ministry of Health shall organise screening of all persons who have returned or arrived from abroad for the symptoms of COVID-19 (coronavirus infection) at the international border crossing points referred to in paragraph 3.1.2 of this Resolution. Where the crew members transiting through the territory of the Republic of Lithuania while carrying out international commercial transportation by all the means of transport, are found to have the symptoms of COVID-19 (coronavirus infection), the State Border Guard Service under the Ministry of the Interior of the Republic of Lithuania shall prevent the entry of these persons into the

territory of the Republic of Lithuania, except for the citizens of the Republic of Lithuania and persons entitled to reside in the Republic of Lithuania.

3.1.6. Restrictions shall be imposed on the flows of passengers using long-distance and suburban regular passenger transport services: they shall be required to travel seated maintaining the distance of at least one meter from each other. Special safety precautions shall be taken by disinfecting the vehicles at the beginning and end of the trip for each route. This provision is recommended for urban passenger transport too.

3.1.7. Entry of cruise ships into Klaipėda State Seaport shall be prohibited.

3.1.8. Protective equipment (personal protection and medical device class I: protective spectacles and visors, face shields, mouth-nose-protection equipment and protective garments) listed in Annex I to Commission Implementing Regulation (EU) 2020/568 of 23 April 2020 making the exportation of certain products subject to the production of an export authorisation, shall be allowed to be exported to third countries, with the exceptions referred to in Article 2(4) and (5) of Implementing Regulation (EU) 2020/568, only at the decision of the State Commander of National Emergency Operations. The movement of other goods shall not be restricted.

3.1.9. *Repealed as of 10-04-2020.*

3.1.10. To obligate people:

3.1.10.1. to visit or stay in parks and other open public places in groups of no more than two, except for close relatives, adoptive parents, adoptive children, guardians and carers, while keeping a safe distance (more than 2 meters and less than 15 minutes contact), avoiding direct physical contact and observing personal hygiene requirements;

3.1.10.2. who are above six years of age, to wear protective equipment covering nose and mouth (face masks, respirators or other equipment) in public places, except:

3.1.10.2.1. when eating and drinking in the catering establishments referred to in paragraph 3.2.6.2 of this Resolution;

3.1.10.2.2. high-performance training for athletes;

3.1.10.2.3. when away from populated areas (cities, towns, villages, single-homestead settlements and dacha (garden) settlements) and where there are no other people within the radius of 20 metres, except for close relatives, adoptive parents, adoptive children, guardians and carers.

3.1.11. Transportation of passengers and/or their private passenger cars to the Republic of Lithuania by passenger ships/ferries shall be prohibited, except for the ferry running on the route Kiel - Klaipėda – Kiel. At the submission of the Minister of Foreign Affairs, in exceptional cases, a decision regarding permission shall be taken by the Government of the Republic of Lithuania.

3.1.12. Passenger flights to the international airports of the Republic of Lithuania shall be performed only subject to an individual permission to operate issued by the Lithuanian Transport Safety Administration under the order of the Minister of Transport and Communications, having regard to the submission by the Minister for Foreign Affairs, except for the flight destinations which will resume subject to Government's approval at the recommendation of the Minister for Foreign Affairs.

3.1.13. From 10 April 2020, 20:00 until 13 April 2020, 20:00, in the territory of the Republic of Lithuania, people shall be restricted from going to the cities or towns of a municipality other than

their place of residence, except in the cases of the death of their close relatives or of work, where the workplace is in another municipality, or urgent medical assistance. This restriction shall not apply to those going to a municipality other than their place of residence, where they have immovable property owned by them.

3.1.14. From 16 April 2020, 07:00 until 24 April 2020, 24:00, it shall be prohibited:

3.1.14.1. to enter the town of Nemenčinė, except for the residents of the town of Nemenčinė returning to the town, the persons from other territories who work in Nemenčinė, also those holding a permission issued by the National Public Health Centre under the Ministry of Health (hereinafter ‘the NPHC’);

3.1.14.2. to leave the town of Nemenčinė, except for the residents leaving it because of employment relations in other territories, the persons from other territories who work in Nemenčinė, the persons travelling to another territory for urgent medical assistance, also those holding a permission issued by the NPHC;

3.1.14.3. the movement of transport in the town of Nemenčinė, except for the movement related to the transportation of passengers and freight, also trade, the movement of the residents in their private vehicles and the movement of persons referred to in paragraphs 3.1.14.1 and 3.1.14.2 of this Resolution.

### **3.2. Regarding the activities of public and private sectors:**

3.2.1. State and municipal institutions and bodies and state and municipal enterprises shall organise their work and provide customer services remotely, except where the functions (tasks) concerned must be performed at the workplace. The performance of urgent and immediate functions (tasks) shall be ensured. The private sector is recommended to organise its work in the same manner as the public sector.

3.2.1<sup>1</sup>. Downtime will not be applied with respect to the employees of state and municipal budget establishments, health care establishments, regardless of their subordination and legal form, unless all the possible forms and methods of work arrangement, including remote training, have been exhausted, where following the declaration of a state of emergency and quarantine by the Government of the Republic of Lithuania, the employer cannot provide the employee with work agreed in the employment contract and there is no possibility to do the work under the contract remotely or the employee does not agree to do another job offered.

3.2.1<sup>2</sup>. Examinations for the assessment of driving skills and abilities and practical training in aviation, for seafarers and for driving of vehicles in categories A1, A2 and A (where the trainee and the driving instructor use different vehicles and hands-free equipment for communication) shall be permitted.

3.2.2. Cultural, leisure, entertainment and sports establishments shall not be visited, and no services shall be provided to visitors. This prohibition shall not apply to high-performance athletic training of the athletes who have met the requirements for the Olympic and Paralympic Games, candidates of the Olympic team, athletes preparing for the deaf championships, also for the world or European championships, and athletes of national teams or other team sports preparing for tournaments (leagues). Nor shall this prohibition apply to groups of no more than two people, except for close relatives, adoptive parents, adoptive children, guardians, and carers:

3.2.2.1. for outdoor leisure activities, provided that at least 10 sq. m. of space per visitor and the distance of at least 10 m between people and/or groups of people is ensured;

3.2.2.2. for visits to learning and educational trails (except observation towers), parks, zoos and botanical gardens located in open outside areas, provided that the distance of at least 2 m between people and/or groups of people is ensured;

3.2.2.3. for high-performance athletic training in engineered open-air sports facilities, provided that at least 10 sq. m. of space per visitor and the distance of at least 10 m between people and/or groups of people is ensured;

3.2.2.4. for visits to archives, libraries and museums, provided that at least 10 sq. m. of space per visitor and the distance of at least 2 m between people and/or groups of people is ensured.

3.2.3. All indoor and outdoor events and gatherings shall be prohibited. This prohibition shall not apply to the outdoor events, where people stay in their cars during the event, and where there are no more than two people in the car, except for close relatives, adoptive parents, adoptive children, guardians, and carers.

3.2.4. The activities of wellness and health centres offering recreational services shall be prohibited. Spas shall be free to provide only medical rehabilitation services.

3.2.5. The provision of accommodation services, rent of premises and apartments and other provision thereof for short-term accommodation of natural persons may be prohibited in each municipality by a separate decision of the director of the municipal administration. Hotels and other premises shall be used for the isolation of people through an individual agreement between a municipality and an accommodation service provider or at the request of the director of a municipal administration.

3.2.6. The activities of catering facilities, restaurants, cafes, bars, nightclubs and other entertainment venues shall be prohibited. The prohibition shall not apply in the following cases:

3.2.6.1. where food can be taken away or it can be otherwise delivered to natural and legal persons;

3.2.6.2. where catering is organised in open spaces.

3.2.7. Stores, marketplaces and other public points of sale shall be permitted to resume their activities, provided that at least 10 sq. m. of space per buyer is ensured or no more than one buyer is served at a time.

3.2.8. Beauty services shall be closed. This requirement shall not apply in the case of hair care and nail care services, if the flow of service users and other visitors is restricted at the points of service by ensuring at least 10 sq. m. of service space per service user or other visitor, or by serving no more than one service user at a time.

3.2.8.<sup>1</sup> It shall be allowed to provide services at points of service, except where it is provided otherwise in other paragraphs of this Resolution, if the flow of service users and other visitors is restricted at the points of service by ensuring at least 10 sq. m. of retail space per service user or other visitor, or by serving no more than one service user at a time.

3.2.8.<sup>2</sup> The required conditions laid down by the State Commander of National Emergency Operations for public health safety, hygiene and the provision of persons with necessary personal protective equipment shall be ensured at points of sale and service or points of economic activity

referred to in paragraphs 3.2.1<sup>2</sup>, 3.2.2, 3.2.3, 3.2.6, 3.2.7, 3.2.8 and 3.2.8<sup>1</sup> of this Resolution, whose activities have not been prohibited.

3.2.9. Casinos and amusement arcades shall be closed.

3.2.10. Visiting sentenced and arrested persons shall be prohibited, except their meetings with lawyers.

3.2.11. Non-cash settlements are recommended.

3.2.12. During the quarantine period and 14 calendar days after the quarantine period, petrol containing less than 10% of biofuels may be sold at fuel points of sale, subject to quality standard requirements. Bioethanol that has not been used for the production of biofuels will be used for medical or disinfection purposes.

3.2.13. Sailing shall be prohibited on small, recreational, sports, private and conventional vessels and other floating equipment or means in groups of more than two people, except for close relatives, adoptive parents, adoptive children, guardians, and carers.

### **3.3. Regarding the organisation of work in educational establishments.**

The educational and childcare process as well as the educational activities in all educational establishments and day care centres shall be suspended, organising instead the remote educational process.

### **3.4. Regarding the organisation of work in health care institutions:**

3.4.1. Mobilising health professionals, university and non-university students and residency students and using infrastructure, regardless of their subordination. If necessary, health professionals and staff working with them (personnel serving the medical staff) may be temporarily transferred to another healthcare establishment or their job functions may be temporarily changed in order to ensure the proper organisation of healthcare services.

3.4.2. Operational reorganisation in managing patient flows, infrastructure and material and human resources.

3.4.3. Provision of inpatient health care services, regardless of the subordination and legal form of the health care establishment providing these services:

3.4.3.1. Provision of inpatient health care services, where failure to provide them would result in patient's need for medical emergency or a significant deterioration of his condition.

3.4.3.2. Visiting patients shall be prohibited, except patients in terminal condition and children under 14 years of age, with the permission of the treating physician.

3.4.4. Provision of outpatient health care services, regardless of the subordination and legal form of the health care establishment providing these services:

3.4.4.1. Provision of remote services: prescription of medicines and medical aids, consultations, issuance and extension of electronic certificates of incapacity for work, consultations between physicians, referral for required medical tests, nurse consultation.

3.4.4.2. Provision of outpatient health care services, where failure to provide them would result in patient's need for medical emergency or a significant deterioration of his condition.

3.4.4.3. Restrictions on home care services other than outpatient nursing and palliative care services, except where failure to provide them would result in patient's need for medical emergency or a significant deterioration of his condition.

3.4.4.4. Reorganisation of preventive examinations and prevention programmes and military forensics performed by the units of the Lithuanian Armed Forces in charge of medical support, as well as of the specialised forensics performed by the Medical Centre under the Ministry of the Interior of the Republic of Lithuania, while providing for the management of patient flows.

3.4.4.5. Reorganisation of routine vaccinations, while providing for the management of patient flows.

3.4.5. Routine inpatient health care services (including day surgery and services provided in a day hospital), routine inpatient medical rehabilitation services, routine outpatient consultations, diagnostic, preventive and treatment health care services and outpatient medical rehabilitation services shall be postponed and shall not resume unless the establishment, regardless of its subordination and legal form, prepares a plan for a phased resumption and provision of inpatient health care services in the establishment and/or a plan for a phased resumption and provision of outpatient health care services in the establishment, agrees it with the infection control specialist (if such a specialist has been appointed), and if it is an inpatient health care establishment specified in paragraph 8 of the Procedure for the Organisation of Coronavirus ( COVID-19) Related Health Care Services, approved by Order No V-281 of the Minister for Health of the Republic of Lithuania of 4 March 2020 approving the Procedure for the Organisation of Coronavirus ( COVID-19) Related Health Care Services – it agrees the plan with the health care establishment organising the provision of COVID-19-related services in the relevant area of operation, approves the plan and submits it to the National Public Health Centre under the Ministry of Health. The plan shall include the institutional reserve infrastructure required for emergency medical services and routine services, along with the procedures for the management of high-risk and low-risk patient flows, the procedure for the provision of health care services (service group), and the procedure for the organisation of staff work and measures to manage the possible spread of COVID-19 (coronavirus infection) in other establishments (when an employee works in other establishments too), as well as the procedure for assigning personal protective equipment to the staff and patients of the establishment according to safety levels.

3.4.6. Medical establishments that are part of the Lithuanian Public Health Care System (hereinafter 'the Public Health Care System') shall process all the patient data related to the delivery of health care services, including case summaries, referrals, outcomes of referrals,, medical images and their descriptions, only through the Electronic Health Services and Cooperation Infrastructure Information System, and medical establishments that are not part of the Public Health Care System shall ensure the processing of these data and their traceability through its own information system.

3.4.7. The requirements for the plan for a phased resumption and provision of inpatient health care services in the establishment and/or a plan for a phased resumption and provision of outpatient health care services in the establishment shall be laid down by decisions of the State Commander of National Emergency Operations.

3.4.8. Postponement of dental services other than emergency medical care.

3.4.9. Reorganisation of pharmacy activities to avoid direct human contact.

3.4.10. Public health:

3.4.10.1. Postponement of measures to strengthen public health and prevent chronic non-communicable diseases.

3.4.10.2. Postponement of public health control routine inspections.

3.4.10.3. Postponement of other non-urgent public health measures.

**3.5. Regarding the organisation of work in social service establishments:**

3.5.1. Attending all inpatient social service establishments, foster families, group and community homes shall be prohibited.

3.5.2. Contacting clients of other social service establishments shall be allowed only for the purpose of ensuring the delivery of the essential social services.

3.5.3. Activities in day care centres for children, persons with disabilities and the elderly shall be prohibited. Municipal administrations must ensure the care of, the arrangement of meals and distance learning for children and persons with disabilities in establishments, where there is request from parents, adoptive parents, guardians or carers and a certificate from the employer on the need to perform relevant functions (work) at the workplace, or where it is not possible to provide care for children or people with disabilities at home.

4. To instruct:

4.1. the State Commander of National Emergency Operations to lay down concrete measures for the quarantine regime, following the recommendations of the responsible ministry regarding the immediate measures for the quarantine regime;

4.2. the state and municipal institutions and bodies, as well as the institutions and enterprises of the Lithuanian national health system to submit to the Ministry of Health or its authorised body, every day by 7:00, the statistics in accordance with the list of statistics approved by the decision of the State Commander of National Emergency Operations, covering the last 24 hours and recorded by 3:00.

4.3. the state and municipal institutions and bodies and the establishments and enterprises of the Lithuanian national health system to ensure the adoption and/or withdrawal of measures assigned to them by the decision of the State Commander of National Emergency Operations, 24 hours a day.

5. To recommend that all the religious communities operating in Lithuania refrain from holding religious ceremonies with a view to preventing public gatherings.

6. The quarantine regime shall be effective from 16 March 2020, 00:00, until 11 May 2020, 24:00.

Prime Minister

Saulius Skvernelis

Minister for Health

Aurelijus Veryga
