Deaths: 74

Recovered: 1416

Number of tests performed yesterday: 4608

A total of samples tested in relation to the suspected coronavirus to date: 360 670

*The number of confirmed infection cases. Until 28 April, information has been provided on positive laboratory test results rather than on positive cases (people).

A major increase in the flow of passenger vehicles has been recorded on the Lithuanian-Polish border as the controls were lifted on Saturday. Lithuania and Poland agreed to open their border on Friday. It was closed in the middle of March to stop the spread of the coronavirus pandemic.

To mark the lifting of border controls, Lithuanian Prime Minister Saulius Skvernelis and his Polish counterpart Mateusz Morawiecki met at the Kalvarija border checkpoint on Friday.
