

Instrukcija, kaip naudoti prezentaciją

Prezentacijoje pateikiama svarbiausia informacija apie Lietuvą, išryškinant jos stiprybes. Prezentacija skirta užsienio auditorijai, pradinei pažinčiai su mūsų šalimi. Esant poreikiui, prezentaciją galite papildyti aktualia Jūsų pristatymui informacija ar prezentaciją sutrumpinti atsižvelgiant į pristatymo laiką.

Svarbu atkreipti dėmesį, kad prezentacijoje naudojamas Inter šriftas, kurį galite įsidiegti savo kompiuteryje atsisiuntę iš svetainės www.lietuva.lt atsisiuntimų bibliotekos. Jei demonstruosite prezentaciją kitame kompiuteryje, tuomet svarbu prezentaciją išsaugoti pdf. formatu arba užtikrinti, kad kitame kompiuteryje taip pat būtų įdiegtas Inter šriftas, siekiant, kad prezentacija būtų atvaizduojama tinkamai.

Guidelines on the use of the presentation

The presentation provides essential information about Lithuania, focusing in particular on its strengths. It is intended for international audience, as a Country-at-a-Glance information. It may be supplemented with additional details or shortened to fit your needs in terms of substance and time.

Please note that the presentation uses the Inter font, which is downloadable from the library on the website www.lietuva.lt. Should you need to transfer it to another computer, please save it in the pdf format or make sure that the Inter font is available on that computer too, so as to ensure its appropriate display.

A historically welcoming and collaborative nation

Our co-creating spirit stretches back to the 14th century, when Grand Duke Gediminas wrote in his letter to European rulers in 1323 that “we open our land, our dominions and our kingdom to every person of goodwill.”

Lithuania: a name first coined 1 000 years ago

A millennium is a long time for any country. Lithuania has survived the trials of history to become a creative and modern Northern European state and an active member of NATO, the EU and OECD.
